

Adelaide in August

August has arrived before we know it. As winter continues in Adelaide, our student support staff here at SACE are active every day.

This month, events such as SALA (South Australian Living Artists Festival), Adelaide Robot Festival, Science Week, and Food Festa are being held. You can also participate in Whale Watching, where you can see southern right whales returning to the area to raise their calves.

SACE in June - August

Winter is the summer vacation season in in Adelaide and the Northern Hemisphere. So many junior high and high school students from various countries are visiting Adelaide during their summer holidays for short-term study programs.

Although a little late, here are the Term 2 nationality percentages:

Country	%	Country	%
Japanese	25%	Vietnam	10%
LATAM	15%	China	10%
Saudi Arabia	13%	Taiwan	7%
Europe	10%	Others	10%

LATAM = Latin American countries

Last month, SACE held its first-ever study tour for elementary school students.

We welcomed 30 students aged 10 - 12 from Hong Kong. Everyone was full of energy! They actively participated in class, asked lots of questions, and created a lively and engaging atmosphere.

With student visa application fees increasing again, demand for study tours combining sightseeing with short-term study is also growing.

On the next page, we introduce our study tour program in more detail, so please take a look.

Introduction to the SACE Study Tour

At SACE, we offer group study tours for groups of 10 or more students, through English lessons, various extracurricular activities, and visits to local schools. Our programs allow students to experience not only English learning but also the lifestyle and culture of Australia and Adelaide in a more personal and meaningful way.

Visits and extracurricular activities can be customised according to the preferences and interests of each school or group!

We welcome a wide range of participants, from children aged 13 and above to groups of retired seniors.

Please feel free to contact us for more information or to discuss your requirements.

Choose from a variety of options!

- Minimum group size: 10 students
- Airport transfers
- Full-day / Half-day English lessons
- Public transportation cards
- Mixed classes / Private classes
- Extracurricular activities (customisable)
- Minimum stay: 1 week or more
- Local school visits
- Homestay
- Certificate of completion
